

## Appendix D – Stakeholder Engagement Summary

The following table documents numerous workshops and listening sessions that occurred during the development of the Los Angeles County Water Plan (CWP). This table includes stakeholder meetings and workshops that occurred in conjunction with the Integrated Regional Water Management (IRWM) meetings of the three existing IRWM programs in Los Angeles County, which include the Greater Los Angeles County (GLAC) Region consisting of five Sub-regions, the Antelope Valley Region, and the Upper Santa Clara River Region. It also includes other workshops and listening sessions with water management entities, environmental and environmental justice representatives, tribal representatives, and other stakeholders.

Date	Meeting Title	Outcomes
Jul 22, 2020	Interview with Antelope Valley-East Kern Water Agency	Discussed water management challenges and initiatives, and synergies with local planning efforts
Jul 23, 2020	Interview with LA Sanitation & Environment	Discussed water management challenges and initiatives, and synergies with local planning efforts
Jul 24, 2020	Interview with City of Long Beach/Long Beach Water	Discussed water management challenges and initiatives, and synergies with local planning efforts
Jul 24, 2020	Interview with Santa Clarita Valley Water Agency	Discussed water management challenges and initiatives, and synergies with local planning efforts
Jul 27, 2020	Interview with City of Pomona	Discussed water management challenges and initiatives, and synergies with local planning efforts
Jul 27, 2020	Interview with Las Virgenes Municipal Water District	Discussed water management challenges and initiatives, and synergies with local planning efforts
Jul 29, 2020	Interview with Los Angeles Department of Water and Power	Discussed water management challenges and initiatives, and synergies with local planning efforts
Jul 29, 2020	Interview with Los Angeles County Waterworks	Discussed water management challenges and initiatives, and synergies with local planning efforts
Jul 30, 2020	Interview with Main San Gabriel and Raymond Basin Watermaster	Discussed water management challenges and initiatives, and synergies with local planning efforts
Jul 31, 2020	Interview with Water Replenishment District	Discussed water management challenges and initiatives, and synergies with local planning efforts
Jul 31, 2020	Interview with Sanitation Districts of Los Angeles County	Discussed water management challenges and initiatives, and synergies with local planning efforts
Aug 3, 2020	Interview with Metropolitan Water District	Discussed water management challenges and initiatives, and synergies with local planning efforts
Aug 7, 2020	Interview with California Department of Water Resources	Discussed water management challenges and initiatives, and synergies with local planning efforts
Aug 7, 2020	Interview with OurWaterLA	Discussed water management challenges and initiatives, and synergies with local planning efforts
Aug 7, 2020	Interview with Southern California Water Coalition	Discussed water management challenges and initiatives, and synergies with local planning efforts
Aug 26, 2020	Interview with City of Los Angeles Mayor's Office	Discussed water management challenges and initiatives, and synergies with local planning efforts

Date	Meeting Title	Outcomes
Aug 27, 2020	Interview with GreenLA	Discussed water management challenges and initiatives, and synergies with local planning efforts
Sept 2, 2020	Interview with City of Santa Monica	Discussed water management challenges and initiatives, and synergies with local planning efforts
May 18, 2021	GLAC - Lower San Gabriel and Los Angeles Rivers IRWM Subregion Stakeholder Meeting	Introduced the CWP development effort, provided linkage between the CWP and IRWM, and encouraged stakeholder participation
May 20, 2021	GLAC - Upper San Gabriel River and Rio Hondo IRWM Subregion Stakeholder Meeting	Introduced the CWP development effort, provided linkage between the CWP and IRWM, and encouraged stakeholder participation
May 20, 2021	Meeting with City of Santa Monica	Provide updates on the CWP planning process and discuss the workgroups for the CWP
May 21, 2021	Meeting with City of Los Angeles Mayor's Office	Provide updates on the CWP planning process and discuss the workgroups for the CWP
May 24, 2021	Meeting with City of Pomona	Provide updates on the CWP planning process and discuss the workgroups for the CWP
May 24, 2021	Meeting with Water Replenishment District	Provide updates on the CWP planning process and discuss the workgroups for the CWP
May 24, 2021	Meeting with Sanitation Districts of Los Angeles County	Provide updates on the CWP planning process and discuss the workgroups for the CWP
May 24, 2021	Meeting with Las Virgenes Municipal Water District	Provide updates on the CWP planning process and discuss the workgroups for the CWP
May 25, 2021	Meeting with Santa Clarita Valley Water Agency	Provide updates on the CWP planning process and discuss the workgroups for the CWP
May 25, 2021	Meeting with Main San Gabriel Basin Watermaster	Provide updates on the CWP planning process and discuss the workgroups for the CWP
May 25, 2021	Meeting with OurWaterLA	Provide updates on the CWP planning process and discuss opportunities for engagement
May 25, 2021	GLAC - Upper Los Angeles River IRWM Subregion Stakeholder Meeting	Introduced the CWP development effort, provided linkage between the CWP and IRWM, and encouraged stakeholder participation
May 26, 2021	GLAC – Leadership Committee Meeting	Introduced the CWP development effort, provided linkage between the CWP and IRWM, and encouraged stakeholder participation
May 27, 2021	Meeting with LA Sanitation & Environment	Provide updates on the CWP planning process and discuss the workgroups for the CWP
May 27, 2021	Upper Santa Clara River IRWM Region Stakeholder Meeting	Introduced the CWP development effort, provided linkage between the CWP and IRWM, and encouraged stakeholder participation
May 28, 2021	Meeting with Los Angeles Department of Water and Power	Provide updates on the CWP planning process and discuss the workgroups for the CWP
Jun 1, 2021	GLAC - South Bay IRWM Subregion Stakeholder Meeting	Introduced the CWP development effort, provided linkage between the CWP and IRWM, and encouraged stakeholder participation
Jun 3, 2021	Meeting with Southern California Water Coalition	Provide updates on the CWP planning process and discuss the workgroups for the CWP

Date	Meeting Title	Outcomes
Jun 11, 2021	Meeting with City of Long Beach/Long Beach Water	Provide updates on the CWP planning process and discuss the workgroups for the CWP
Jun 24, 2021	OurWaterLA Stakeholder Meeting	Introduced the CWP development effort and encouraged stakeholder participation
Jul 20, 2021	GreenLA Stakeholder Meeting	Introduced the CWP development effort and encouraged stakeholder participation
Jul 26, 2021	Environmental Listening Session	Introduced the CWP development effort and solicited feedback on proposed items to be addressed in the CWP from an environmental perspective
Jul 28, 2021	Environmental Justice Listening Session	Introduced the CWP development effort and solicited feedback on proposed items to be addressed in the CWP from an environmental justice perspective
Aug 5, 2021	Regional Water Supply Reliability Workshop #1	Kickoff workshop for the Regional Water Supply Reliability Workgroup to discuss success stories of regional collaboration, CWP and Workgroup processes, and shared desired outcomes
Aug 18, 2021	Watershed Land Management Workshop #1	Kickoff workshop for the Watershed Land Management Workgroup to discuss success stories of regional collaboration, CWP and Workgroup processes, and shared desired outcomes
Aug 18, 2021	Groundwater Management and Quality Workshop #1	Kickoff workshop for the Groundwater Management and Quality Workgroup to discuss success stories of regional collaboration, CWP and Workgroup processes, and shared desired outcomes
Aug 18, 2021	Tree People Listening Session Follow Up	Discussed how TreePeople has successfully engaged the community before and during the COVID-19 pandemic
Aug 30, 2021	Sacred Places Institute Listening Session Follow Up	Discussed tribal outreach and engagement to inform the development of the CWP
Sep 7, 2021	Infrastructure Resilience & Drinking Water Equity Workshop #1	Kickoff workshop for the Infrastructure Resilience and Drinking Water Equity Workgroup to discuss success stories of regional collaboration, CWP and Workgroup processes, and shared desired outcomes
Sept 9, 2021	Meeting with Department of Water Resources	Discussed tribal outreach and engagement to inform the development of the CWP
Sep 16, 2021	GLAC - Upper San Gabriel River and Rio Hondo IRWM Subregion Stakeholder Workshop	Solicited subregional feedback on topics to be addressed in the CWP and input on how the region can make progress on these topics
Sep 21, 2021	GLAC - Lower San Gabriel and Los Angeles Rivers IRWM Subregion Stakeholder Workshop	Solicited subregional feedback on topics to be addressed in the CWP and input on how the region can make progress on these topics

Date	Meeting Title	Outcomes
Sep 23, 2021	Upper Santa Clara River IRWM Region Stakeholder Workshop	Solicited subregional feedback on topics to be addressed in the CWP and input on how the region can make progress on these topics
Sep 28, 2021	GLAC - Upper Los Angeles River IRWM Subregion Stakeholder Workshop	Solicited subregional feedback on topics to be addressed in the CWP and input on how the region can make progress on these topics
Sep 29, 2021	Antelope Valley IRWM Region Stakeholder Workshop	Solicited subregional feedback on topics to be addressed in the CWP and input on how the region can make progress on these topics
Sept 29, 2021	Meeting with Department of Water Resources	Discuss opportunities for collaboration with DWR Atlas Pilot
Oct 5, 2021	GLAC - South Bay IRWM Subregion Stakeholder Workshop	Solicited subregional feedback on topics to be addressed in the CWP and input on how the region can make progress on these topics
Oct 13, 2021	Policy Workshop #1	Kickoff workshop for the Policy Workgroup to discuss policy success stories, CWP and Workgroup processes, and Policy Workgroup objectives
Oct 13, 2021	Groundwater Management and Quality Workshop #2	The second Groundwater Management and Quality workshop to discuss desired outcomes, targets, and data sharing
Oct 13, 2021	GLAC - North Santa Monica Bay IRWM Subregion Stakeholder Workshop	Solicited subregional feedback on topics to be addressed in the CWP and input on how the region can make progress on these topics
Oct 14, 2021	TreePeople Stakeholder Meeting	Discussed the water-related Disadvantaged Community Involvement Program Needs Assessment for the GLAC IRWM Region
Oct 18, 2021	Regional Water Supply Reliability Workshop #2	The second Regional Water Supply Reliability workshop to discuss desired outcomes, targets, and 'big idea' strategies
Oct 25, 2021	Los Angeles Waterkeeper Meeting	Provide updates on the CWP planning process and discuss opportunities for engagement
Oct 25, 2021	Infrastructure Resilience & Drinking Water Equity Workshop #2	The second Infrastructure Resilience and Drinking Water Equity workshop to discuss potential IR&DWE-related targets and collaboration with the Policy Workgroup
Oct 26, 2021	Watershed Land Management Workshop #2	The second Watershed Land Management workshop to discuss desired outcomes, targets, and data sharing
Nov 15, 2021	Groundwater Management and Quality Workshop #3	A further workgroup discussion about County-wide targets and strategies for groundwater management
Nov 22, 2021	Policy Workshop #2	The second Policy workshop to home in on policies to support small water systems and other LA County Water Plan draft targets
Nov 29, 2021	LA Sanitation & Environment Meeting	Discussion on preliminary CWP content

Date	Meeting Title	Outcomes
Nov 30, 2021	Regional Water Supply Reliability Workshop #3	A further workgroup discussion about County-wide targets and strategies for water supply reliability
Dec 13, 2021	Watershed Land Management Workshop #3	A further workgroup discussion about County-wide targets and strategies for watershed health and wildfire mitigation
Dec 14, 2021	Infrastructure Resilience and Drinking Water Equity Workshop #3	A further workgroup discussion about County-wide targets and strategies for water resilience and meeting drinking water standards
Dec 16, 2021	Association of Rural Town Councils Stakeholder Workshop	Solicited feedback on topics to be addressed in the CWP and input on how the region can make progress on these topics
Jan 12, 2022	Antelope Valley IRWM Region Stakeholder Workshop	Identified strategies important to the subregion and solicited subregional input on how the region can make progress on the strategies
Jan 18, 2022	GLAC - Lower San Gabriel and Los Angeles Rivers IRWM Subregion Stakeholder Workshop	Identified strategies important to the subregion and solicited subregional input on how the region can make progress on the strategies
Jan 25, 2022	GLAC - Upper Los Angeles River Subregion Stakeholder Workshop	Identified strategies important to the subregion and solicited subregional input on how the region can make progress on the strategies
Jan 27, 2022	Upper Santa Clara River IRWM Region Stakeholder Workshop	Identified strategies important to the subregion and solicited subregional input on how the region can make progress on the strategies
Feb 1, 2022	GLAC - South Bay IRWM Subregion Stakeholder Workshop	Identified strategies important to the subregion and solicited subregional input on how the region can make progress on the strategies
Feb 9, 2022	Tribal Listening Session: San Manuel Band of Mission Indians	Introduced the CWP development effort, solicited feedback on proposed items to be addressed in the CWP, and encouraged Tribal participation in developing the CWP
Feb 10, 2022	Tribal Listening Session: Fernandeño Tataviam Band of Mission Indians	Introduced the CWP development effort, solicited feedback on proposed items to be addressed in the CWP, and encouraged Tribal participation in developing the CWP
Feb 10, 2022	GLAC - North Santa Monica Bay IRWM Subregion Stakeholder Workshop	Identified strategies important to the subregion and solicited subregional input on how the region can make progress on the strategies
Feb 17, 2022	GLAC - Upper San Gabriel River and Rio Hondo Subregion Stakeholder Workshop	Identified strategies important to the subregion and solicited subregional input on how the region can make progress on the strategies
Mar 10, 2022	Workshop #4 – Regional Water Supply Reliability, Watershed Land Management, Groundwater Management & Quality	A joint workshop with three workgroups to discuss in detail the potential CWP strategies and actions

Date	Meeting Title	Outcomes
Mar 24, 2022	Meeting with Los Angeles County Department of Public Health	Initiated a discussion on preliminary content and solicited feedback
Mar 30, 2022	Meeting with California Association of Mutual Water Companies	Discussed opportunities for the CWP
Apr 5, 2022	Joint Policy-Infrastructure Resilience & Drinking Water Equity Workshop	A joint Policy and Infrastructure Resilience and Drinking Water Equity Workshop to discuss opportunities for a potential regional program to support small water systems
Apr 5, 2022	GLAC - South Bay Subregion Stakeholder Workshop	Provided context for preliminary CWP content, presented a process for reviewing and providing input, and initiated a discussion on preliminary content
Apr 18, 2022	Meeting with Self Help Enterprises	Discussed opportunities for the CWP
Apr 18, 2022	Tribal Listening Session: Gabrielino Tongva Indians of California	Introduced the CWP development effort, provided context for preliminary CWP content, presented a process for reviewing and providing input, and initiated a discussion on preliminary content
Apr 18, 2022	Tribal Listening Session: San Manuel Band of Mission Indians	Provided context for preliminary CWP content, presented a process for reviewing and providing input, and initiated a discussion on preliminary content
Apr 19, 2022	GLAC - Lower San Gabriel and Los Angeles Rivers IRWM Subregion Stakeholder Workshop	Provided context for preliminary CWP content, presented a process for reviewing and providing input, and initiated a discussion on preliminary content
Apr 19, 2022	GLAC - North Santa Monica Bay IRWM Subregion Stakeholder Workshop	Provided context for preliminary CWP content, presented a process for reviewing and providing input, and initiated a discussion on preliminary content
Apr 20, 2022	Tribal Listening Session: Fernandefio Tataviam Band of Mission Indians	Provided context for preliminary CWP content, presented a process for reviewing and providing input, and initiated a discussion on preliminary content
Apr 20, 2022	Antelope Valley IRWM Region Stakeholder Workshop	Provided context for preliminary CWP content, presented a process for reviewing and providing input, and initiated a discussion on preliminary content
Apr 21, 2022	GLAC - Upper San Gabriel River and Rio Hondo Subregion Stakeholder Workshop	Provided context for preliminary CWP content, presented a process for reviewing and providing input, and initiated a discussion on preliminary content
Apr 21, 2022	Upper Santa Clara River IRWM Region Stakeholder Workshop	Provided context for preliminary CWP content, presented a process for reviewing and providing

Date	Meeting Title	Outcomes
		input, and initiated a discussion on preliminary content
Apr 26, 2022	GLAC - Upper Los Angeles River Subregion Stakeholder Workshop	Provided context for preliminary CWP content, presented a process for reviewing and providing input, and initiated a discussion on preliminary content
Apr 26, 2022	Environmental Listening Session	Provided context for preliminary CWP content, presented a process for reviewing and providing input, and initiated a discussion on preliminary content from an environmental perspective
Apr 27, 2022	Environmental Justice Listening Session	Provided context for preliminary CWP content, presented a process for reviewing and providing input, and initiated a discussion on preliminary content from an environmental justice perspective
May 23, 2022	Workshop #5 – All Workgroups (Regional Water Supply Reliability, Groundwater Management & Quality, Watershed Land Management, Infrastructure Resilience & Drinking Water Equity, Policy)	A joint, in-person meeting to discuss the action plan framework and how we can collectively bring the CWP from a plan into implementation
Jul 13, 2022	Meeting with Water Replenishment District	Discussed the District’s ongoing efforts and opportunities for the CWP to add value
Jul 27, 2022	Meeting with California Association of Mutual Water Companies	Discussed the CalMutuals ongoing efforts and opportunities for the CWP to add value
Aug 31, 2022	Meeting with East Yard Communities for Environmental Justice	Provided context for preliminary CWP content, presented a process for reviewing and providing input, and initiated a discussion on preliminary content from an environmental justice perspective
Nov 27, 2022	Meeting with Los Angeles County Waterworks	Discussed draft framework for a potential small water systems program
March 29, 2023	Executive Meeting and Tour	Met with water agency executives to discuss the CWP with a tour of Los Angeles County Flood Control District facilities
May 15, 2023	Gabrielino Tongva Indians of California	Previewed the Public Draft CWP, reviewed how their comments on the Stakeholder Draft were addressed, and provided information on how to submit additional feedback
May 16, 2023	Environmental Justice Stakeholders	Previewed the Public Draft CWP, reviewed how their comments on the Stakeholder Draft were addressed, and provided information on how to submit additional feedback
May 16, 2023	Environmental Stakeholders	Previewed the Public Draft CWP, reviewed how their comments on the Stakeholder Draft were addressed, and provided information on how to submit additional feedback

Date	Meeting Title	Outcomes
May 22, 2023	San Manuel Band of Mission Indians	Previewed the Public Draft CWP, reviewed how their comments on the Stakeholder Draft were addressed, and provided information on how to submit additional feedback
May 24, 2023	LA County Departments: Regional Planning, Public Health, Parks and Recreation, Internal Services, Chief Sustainability Office	Previewed the Public Draft CWP, reviewed how their comments on the Stakeholder Draft were addressed, and provided information on how to submit additional feedback
May 31, 2023	Association of Rural Town Councils	Previewed the Public Draft CWP, reviewed how their comments on the Stakeholder Draft were addressed, and provided information on how to submit additional feedback
August 9, 2023	Los Angeles County Water Plan Public Information Session	Introduced the CWP vision and development process, preview the CWP and Portal, and share the review and comment process with the public.
